### CALL FOR PROPOSALS MARCH 15<sup>th</sup> – JUNE 15<sup>th</sup> 2005

The Euroscience Open Forum 2006 provides a unique opportunity to:

- **Present your research to a broad audience**
- **Influence where European and world science is going**
- **Meet scientists, decision makers and journalists**

The second Euroscience Open Forum meeting will take place in Munich July 15<sup>th</sup> – 19<sup>th</sup> 2006. ESOF is a pan-European scientific meeting staged to provide an interdisciplinary forum for open dialogue, debate and discussion as well as showcase European achievements right across the scientific spectrum.

Through ESOF, researchers, scientists, journalists and the general public are provided with a platform for exchanging views and discussing the challenges and consequences of scientific developments around the world.

The organisers of ESOF2006 invite you to actively contribute to the Forum's programme. Visit our website [www.esof2006.org](http://www.esof2006.org) now to submit your proposal for a scientific session or an outreach activity online and learn more about the Forum's themes and proposal guidelines.
